

## King Soopers Community Awards

As you may be aware, King Sooper's generously supports many community service organizations. Under the recently revised system, any customer who has a loyalty card that has been registered with the program in the name of the Tibetan Association of Colorado is effectively helping the TAC with each purchase, since King Sooner's automatically sends the TAC 5 percent of the purchase.

If your receipt does not indicate that King Sooner's is donating to the TAC (see attached example), then you are not registered. Please follow the steps below to register your loyalty card. Thanks.

To link your King Soopers loyalty number to the TAC, follow these instructions

1. Go to [www.kingsoopers.com](http://www.kingsoopers.com)
2. Top right look for Sign In and login to your account (If you have never created an account, even though you have a loyalty card-see below to set up the account)
3. After signing in go back to Sign In (your name should now be under the icon) and click on MyAccount
4. On the MyAccount page click on Community Rewards on the left
5. On the Rewards page enter **BS878** in the Find an Organization box
6. **Tibetan Association of Colorado** will come up. Click Enroll.
7. That's all there is to do to start earning rewards for the Club.

Note: While on your account page, you can add an Alternative ID. This can be any number that you will remember (such as your phone number). Then when making purchases and you don't have your loyalty card with you, you can type in your Alternative ID.
